Coffee Baptists Hold Ladies Night At Church In Elba

The Baptist Pastor's Association of the Coffee Association held Ladies Night at the First Baptist Church in Elba Thursday, Dec. 15. This is an annual social occasion when the wives of the pastors are invited to the monthly upper meeting for December.

After supper in the Social Hall of the church, Christmas Carols were sung. Pastor W. B. Jones, of the church, presided.

Bozeman of Westside led in several games. Miss Ella Kate Allen and Miss Yvonne Bryan sang, accompanied by Miss Janet Warr at the piano.

The following officers were elected for 1961: president, Pastor Henry Martin of M. Olive; vice president, Wesley Bozeman of Westside; Secretary, Karl E. Seep, of County Line. Members of the Program Committee to serve with the vice president, Pastor Woodrow Wilson of Goodman, and Pastor Truman Lewis of Calvary.

Retiring President George H. Jones, president, Dr. B. R. Jones, of the church, presided.

Drugs should be continued three to four years after a tuberculosis patient is negative.

Of every \$20 spent for groceries, \$1.50 to \$2 goes for purchasing which helps to keep food in good condition and attracts the shoppers' attention.

There were 8,000 tractors in Alabama in 1960. There are more than 75,000 at the present time.

Until a few years ago, advertising played an important part in the operation, whose sales totaled \$217,000,000 in 1959 in the 17,000 Woolworth stores in this country.

"Our efforts in this area were confined, for the most part, to offering special values in our windows and on our counters. However, in 1958, after much research and testing we embarked on a rather ambitious newspaper advertising program."

"During 1959 the amount of newspaper usage used by us doubled that of the previous year. The results have been so satisfactory that we expect to use between 27 and 30 million lines this year. Radio, TV and magazines are being used to supplement the newspaper program and special promotions at the local level."

Mr. Kirkwood traced the early beginnings of the Woolworth Company, recalling that its first store opened in 1879 with an inventory of \$10 and the first day's sales amounted to \$127.50 cents.

"That was the first step in the upgrading of Woolworth merchandise," he said, "and upgrading has continued in our company ever since."

Woolworth's 1960 sales goal is one billion dollars, he added, pointing out the company is currently opening a new store every other business day and expect to open over 150 this year.

"Our prices range from pennies to \$1.00, and while our policy is strictly cash, we are experimenting with credit in some localities," said Mr. Kirkwood.

RIDICULOUS....

Action of six presidential electors in Alabama in casting their votes for Senator Byrd for President and Senator Thurmond for Vice-President is ridiculous to say the least.

No one was more opposed to John Fitzgerald Kennedy for President than this writer. But when nominated by the Democratic Convention he became the nominee of the Democratic party. Now that he has been elected by the people of the whole country, he became President of all the people until a successor is legally elected. Majority rule in government is an American tradition.

That is the sentiment of the Coffee County Executive Committee which favored Loyalist presidential electors before the Spring primaries. That is the sentiment of the people of Coffee County who voted a majority in favor of Loyalist electors in the Democratic primary.

Both Alabama Senators, the governor of Alabama, and Congressmen from Alabama, all favored support of the Democratic ticket. Despite this, they may find their power diminished in party councils at Washington because six Alabama electors cast their votes against the Democratic presidential nominee.

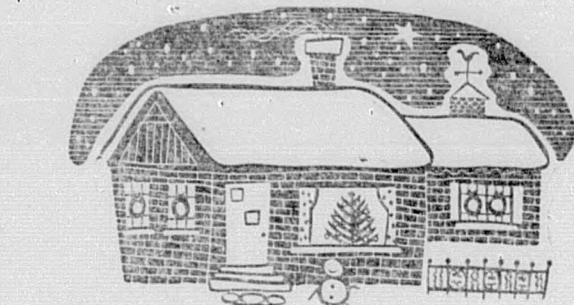

A government by laws rather than individuals is a principle which came down to us from our fathers who brought forth upon this continent a new nation. And that was a principle which came down to them from their forefathers in the great and revered mother country, England.

5 Miles Paving of Victoria Road To Snellgrove Mill Set

Governor Patterson and Highway Director Engelhardt have entered into a contract with Coffee County for the construction of grading, drainage and pavement on 5.732 miles of road from Victoria southeasterly to Snellgrove Mill including spur to New Hope-Victoria Road. The work will get underway in the near future.

The project will cost approximately \$19,400.00. The grading and drainage will be done by County forces and equipment by negotiated contract with the State Highway Department paying \$28,300.00, or half of the cost.

The base and pavement will be let by SACP County Contract with the participation being \$31,400.00 by the Highway Department and \$31,400.00 by the county.

The paving of this project is part of the regular Farm to Market program whereby improved roads and bridges are being replaced and improved to higher standards to serve the local people.

The regular program provided by law and the Special Aid Program as granted by the Governor and the Highway Director will be the means for the construction of 1000 miles of county roads and bridges within the State during each year of the present administration. Coffee County will construct its proportionate share. This is the first administration that has entered into an agreement with every county covering the granting of special funds for road and bridge construction on the county road system.

Santa's Gift Bag Includes Good Food

AUBURN — Shoppers will have an abundant supply of farm produced products available for the holiday season.

Seven food items which will be especially plentiful all month are cranberries, broiler fryers, pork, onions, dates, peanuts and peanut products and vegetable fats and oils, says Dorothy Overby, Auburn Extension specialist in consumer education.

Miss Overby advises consumers to watch for special sales on these plentiful items. "The food industry usually cooperates with producers in attempts to move the abundance in normal trade channels," she says.

SOIL CONSERVATION NEWS

BY T. C. SELF

Livestock water ponds were constructed on the farm of John B. Johnson, Joel D. Knotts and the Grimes brothers. These ponds will provide an adequate supply of water throughout the year. Stock will have better gains when water is available at all times and is located within the grazing area.

Mr. Johnson stated that this pond is the only source of water in an 80 acre pasture. He said "I am as proud of this pond as I can be. This is some of the best money spent on my farm since this pond will be here serving its purpose for many years." The daily tasks of watering the livestock is a bygone day on the Johnson farm.

William Day of Kinston recently had an 18 acre field smoothed and reterraced. Parallel terraces were installed by Soil Conservation personnel. According to Mr. Day, there were so many short rows and turns that it was a great hindrance in working this field.

The adjoining farms of J. O. Reeves and J. E. Sexton already have parallel terraces and waterways. Elmer Day of the same neighborhood has applied for A.C.P. assistance for terraces and waterways.

Those present were Jane Head, Margaret Wilson, Margaret Hudson, Rebecca Bragg, Katherine Kelley, Phyllis Kelley, Steve Bragg, Earl Ziegler and Austin Hudson.

Little Perry Thomas, son of Mr. and Mrs. Sam Thomas is improving at home after being in the hospital a few days at Fort Rucker. His daddy is in the service overseas.

Mr. and Mrs. Harold Blanton, Jerome and Randy, of Phenix City visited in the home of Mr. and Mrs. Collins R. Wise and Mr. and Mrs. Tom Blanton last Sunday.

Mr. and Mrs. Delma Head, Debbie and Becca, of Phenix City were weekend guests of his dad, Mr. Sam Head.

Mr. and Mrs. Bryon Folsom and family of Montgomery, were guests in the home of Bill and Louise Thomas and his mother, Mrs. Nett Folsom last Sunday.

Mrs. Nett Folsom has returned home after a short visit with the children in Panama

The Greatest Gift

It's wonderful to receive "the world" for Christmas—but think how much more wonderful it would be if we could give Christmas to the world! If the true Christian spirit could permeate the globe, all fear of war, destruction, extermination, would be over.

It is only through the Church that Christian teachings can hope to reach to the darkest corners on earth, bringing enlightenment in their wake. By proclaiming God's eternal message, the Church can bring the hope of peace closer to reality.

But if Christmas is to be given to the world, then all of us must first do our part by living our own individual lives in the Christian way. Start now—by attending regularly the church of your faith.

THE CHURCH FOR ALL... **ALL FOR THE CHURCH**

The Church is the greatest factor in each for the building of character and good citizenship. It is a showcase of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

No Elba Gas Rate Increase Sought

Recent publicity given to a rate increase requested by another Alabama gas distributor has no bearing on the activities of the Southeast Alabama Gas District, R. J. Smith, general manager of the district, said today.

Emphasizing that the Southeast Alabama natural gas utility has no present plans for a rate increase Smith said, "It is unfortunate, but completely natural that when one utility's rate is increased, the newspaper reports tend to confuse the customers of other utilities."

"The Gas District has been adding new customers at a very good rate. This growth, which has increased our revenues substantially, has been most gratifying."

Alabama Docks At Mobile Show Profit Near Half Million

Alabama State Docks, the state's self-sustaining ocean terminal at Mobile, made almost a half million dollars during fiscal year 1960, figures in the just-released annual report show.

The report, submitted by Docks Director Earl M. McGowan, discloses that the facility had total earnings for the fiscal year, which ended September 30, of \$6,225,091.76, while expenses came to \$5,747,139.64. The docks is retaining \$477,952.12 for future development. Net profit was \$478,315.71.

Breakdown

The illustrated booklet breaks down dollar earnings this way: 63.5 cents for the loading and unloading of rail cars and trucks, 33.5 cents for terminal use of the Alabama State Docks by vessels and 3 cents for miscellaneous services such as stevedoring, crating and drugging.

Native of Mexico To Address Coffee Baptist Association

The public is invited to attend the Coffee County Baptist Association Quarterly meeting at the Alberton Baptist Church, Thurs., Jan. 5.

Mrs. Robert Wise, president, has urged all the churches to present. The theme for the meeting will be "Found Faithful in Seeking to Bring Other."

The night meeting will be held at Zion Chapel with Mrs. Joe Jacobs presiding. The evening meeting will begin at 7 p.m., the morning meeting at 10 a.m.

The guest speaker will be Miss Naomi Chavez. She is a native of San Luis Potosi, Mexico, and she has served as W.M. L. president of the Mexican Baptist Convention of Texas, and is presently employed by the W.M.U. of Texas as a worker among the Spanish speaking people.
